Paseo GRILL

Paseo Grill

Paseo Grill, located in the heart of the historic Paseo Arts District, first opened its doors July 10, 2006. The building was originally El Charito.

Paseo, which means to stroll, hosts a community of local shop owners, restaurants, visual performers and commercial artists with deep roots to the community. Originally constructed in 1929 by G.A. Nichols, the Paseo was one of the first commercial districts north of downtown Oklahoma City, accessible by a once flourishing trolley system that ran down Shartel Boulevard.

Thank you for experiencing the Paseo Arts District. Enjoy your visit!
